

# PLAYER REGISTRATION REFUND GUIDELINES

**Individuals requesting refunds from Columbus Soccer Organization should note the following:**

1. Refunds can only be provided for the registration fee. Therefore, the maximum amount of the request can not exceed the registration for a particular playing year.
2. There are no refunds of fees associated with uniforms, equipment, tournament registration, team fees, processing fees.
3. Full refunds will be provided if requested in writing with the following limitations.
  - a. If the request is made after the player fee and player card have been made to US Club Soccer the amount of this fee can't be returned. Any refund will be reduced by this cost but the player card will be given to the player.
  - b. Refunds will not be given if the request comes after the roster for the team has been set and finalized in either US Club or GotSoccer. After this time no refund will be provided but the player may be provided with their US Club player card.
  - c. Individuals who choose to pay the registration fee through the payment plan continue to be responsible for paying the remainder of the fee if they decide to leave the team after rostering has taken place and before all payments are made. This places them in the same position as those who pay the fee in one payment and later leave after a roster has been set.
